

technology of reading and pdf

applications of technology to reading instruction were included: integrated learning systems, writing-based reading programs, and reading management programs. Results varied by program type. No significant positive effect was found in the nine controlled studies of integrated learning system. However, moderate positive effects were found in the 13 writing-based reading program studies such as ...

The Effectiveness of Education Technology for Enhancing

be greater in writing interventions compared with reading or spelling. At least a full day's training or on-going professional inquiry-based approaches to support the introduction of new technology appear the most successful.

The Impact of Digital Technology on Learning: A Summary

Children's literature today embodies cues for reading that extend beyond the letters and words on the page, demanding interpretation and interaction with the text beyond the de-coding of print. The computerization of type design and the photomechanical printing technologies available today make it easier for words to look like anything, appearing anywhere on the page in any color, size, or ...
